

REMARKS

**Reconsideration And Allowance
Are Respectfully Requested.**

Claims 18-21 and 23-26 are currently pending. Claims 1-7 and 22 have been canceled. New claim 26 has been added. No new matter has been added. No additional claims have been canceled. Entry of this amendment prior to consideration is respectfully requested.

Applicant would first like to thank Examiner Blau for the courtesies extended during the interview conducted on October 5, 2005. During the course of this interview, the after final amendment filed August 31, 2005 was discussed. As such, Applicant submits the RCE filed herewith as well as the present preliminary amendment.

In addition to the arguments presented in the amendment after final which is entered via the present RCE, Applicant has added new claim 26. New claim 26 specifically defines that the light source is selectively secured to the polymeric body. The addition of this limitation is believed to further define Applicant's invention and present additional allowable claims.

It is believed that this case is in condition for allowance and early issuance is respectfully requested. If it is felt that an interview would expedite prosecution of this application, please do not hesitate to contact Applicant's representative at the below number.

Respectfully submitted,

Howard N. Flaxman
